MEMORANDUM FOR All Personnel Assigned to Joint Task Force GTMO

SUBJECT: Policy Memorandum #8, Essential Elements of Friendly Information (EEFI)

1. Purpose: This memorandum prescribes the types of information within JTF-GTMO that are sensitive and therefore will be protected. Disclosure of such information could provide our adversaries with critical information to use against us.
2. EEFI: JTF-GTMO considers the following information as EEFI, even if not classified. Accordingly, this information shall be processed on stand alone computers or computers connected to the SIPRNET. This information shall not be contained or transmitted on computers connected to the NIPRNET.
 - a. Any information on size, disposition, strength, specific capabilities, and limitations of all friendly units providing fires or sensors for defensive operations.
 - b. Detainee Operations affecting JTF-GTMO mission accomplishment.
 - (1) Any information pertaining to the movement of detainees to and from GTMO.
 - (2) Any information pertaining to the movement of detainees while at GTMO.
 - (3) Any reference to the identification of a detainee other than their Interment Serial Number (ISN).
 - (4) Any reference to specific detainee interrogations.
 - (5) Any reference to detainee activities and detainee conversations.
 - (6) Any reference to a detainee's medical condition including, but not limited to, medical treatment received and given, diagnoses, and status of health.
 - (7) Any detail (written or pictorial) concerning the construction, design, and function of any detainee confinement facility including, but not limited to Camp Delta, Naval Station Guantanamo Naval Brig and the Detention Hospital.

JTF-GTMO-J2

SUBJECT: POLICY MEMORANDUM #10, Essential Elements of Friendly Information (EEFI)
