**NOTICE OF FILING**

Petitioners Fawzi Khalid Abdullah Fahad Al Odah, Fayiz Mohammed Ahmen Al Kandari, Khalid Abdullah Mishal Al Mutairi, and Fouad Mahmoud Al Rabiah (“Petitioners”) hereby give notice that on January 23, 2009, they filed with the Court Security Office their Motion for Additional Discovery and memorandum in support thereof, requesting this Court to order the government to respond in full to Petitioners’ discovery requests, attached as an appendix to their motion.

In order to allow time for Petitioners’ attorneys to conduct investigation based on the discovery to be provided and to have unclassified portions translated in time for their meetings with Petitioners during the week of March 2, 2009, Petitioners request that the government be ordered to respond in full to the discovery requests by February 13, 2009. The meetings during the week of March 2, 2009, will be Petitioners’ last opportunity to meet with their counsel before their traverses are due on March 30, 2009.

**Certificate of Compliance with LCvR 7(m)**

Counsel for Petitioners met in person with counsel for the government on December 29, 2008, to meet and confer in a good faith effort to resolve this motion or to narrow the areas of disagreement. Counsel for the government indicated that he would inquire about certain items requested, but that he could not commit to producing anything beyond the discovery ordered by the Court. In a telephone conversation on January 23, 2009, government counsel indicated that the government will not provide any discovery in Guantanamo cases other than what is ordered by the Court. Accordingly, the motion is opposed.
