ORDER

These Guantanamo Bay habeas cases were all dismissed *sua sponte* for lack of subject matter jurisdiction on April 5, 2007 and then closed. Because the Court's electronic case filing system permits the filing of motions even in closed cases, a number of motions for reconsideration, to alter judgment, to stay proceedings, for "stay and abey" orders, etc., were filed in the weeks and months following the dismissal of the cases. No rulings were made on any of those motions because of my view that I lack jurisdiction to rule on them. All of these matters are now awaiting developments in the Supreme Court of the United States.

For the administrative convenience of the Court, all of the motions listed below are **denied without prejudice**.

05-0270 El-Mashad Motion to alter judgment and stay proceedings
and hold in abeyance or, in the Alternative,
for Transfer to Court of Appeals [86]
