 Respondents.)

DECLARATION OF [NAME DELETED]

I, [NAME DELETED], declare as follows:

1. I am a New York City Police Department detective assigned to the FBI NYPD Joint Terrorism Task Force. As such I am a sworn Special Deputy U.S. Marshall.
2. The immigration records we hold on Mr. Paracha indicate that he came to the United States in 1971 and obtained permanent resident status in 1979.
3. Along with my partner, who is a Special Agent with the Federal Bureau of Investigation, I personally interviewed Mr. Paracha over a period of time from September through December 2004 at Guantanamo Bay. The information contained in paragraphs 4 through 7 below was provided to me by Mr. Paracha during those interviews.
4. Mr. Paracha lived in the United States from 1971 through 1986. He left the U.S. in 1986 to return to Pakistan with his wife and children. From 1986 until 1998, he visited the United States approximately once a year to visit relatives over the summer. Mr. Paracha's wife and four children reside in Pakistan. One of his children, however, is under federal indictment

and is currently in custody in New York City. Mr. Paracha had no intention of moving back to the U.S. after returning to Pakistan in 1986.

5. Mr. Paracha's last visit to the U.S. was in 1998, during which he brought his wife here to be treated for cancer. Upon the completion of her treatments in 1999, they returned to Pakistan. Mr. Paracha has not traveled to the U.S. since then.

6. Mr. Paracha owned a house in the U.S. until 1986 but after selling it did not maintain a residence here. He said he has owned a house in Karachi, Pakistan since 1986. According to Mr. Paracha, he owns several businesses in Pakistan, including the subsidiary of a U.S. based importer, but he does not have an ownership interest in any U.S. business or property. He has not filed a U.S. tax return since 1999-2000.

7. Mr. Paracha has not made any inquiries regarding his immigration status since he moved abroad 1986.

I declare under penalty of perjury that the foregoing is true and correct.
