MOTION TO EXTEND TIME FOR COMPLETION
OF CLASSIFICATION REVIEW

The government hereby moves to extend time for completion of the classification review of the remainder of the pleadings filed under seal in this matter. Pursuant to prior orders of the Court dated November 15, 2006, January 17, 2007, and March 1, 2007, the classification reviews of the sealed pleadings in this matter were to be completed by April 15, 2007.

As of today, April 16, 2007, the classification review for a significant portion of the sealed pleadings has been completed by the relevant national security agencies, and the redacted versions of those pleadings are being filed with the Court today. The remainder of the sealed pleadings have been reviewed by one national security agency, but another agency's review is still pending. The agencies responsible for completing the review have informed the government that they are unable to complete the review of the remaining pages by today. The government respectfully requests that the Court extend the deadline for completion of the classification review of the remaining pleadings until May 1, 2007.
